-  *Looks Amazing*
-  *Thank you for you great work*
-  *Albert Smith Signs do an amazing job*

For more than 65 years, Albert Smith Signs has been a global leader in the design, manufacturing, installation and maintenance of identity and signage products throughout Australia & Asia Pacific.

We operate a fully equipped sign fabrication shop with an experienced team of 16 different trades and tradespeople. At the heart of Albert Smiths is our Innovation Centre, where our focus is on investing in research and sourcing the latest developments, technologies and equipment both nationally and internationally, to deliver best practices and commercial advantages to our customers.

Our customer base includes many of the world's leading brands in retail, petroleum, automotive, finance, hospitality, quick service restaurants and other commercial and private sectors. We appreciate that these customers have trusted their branding and signage to us; many, for more than 50 years.

At Albert Smith Signs we conduct every aspect of our business with applicable laws, regulations and industry standards – we use responsible “best practices” to minimise environment, health and safety impacts.
